11 year parts warranty on the DI Motor*

Low fuss for a long time – digital inverter motor with a 11 year parts warranty. The motor works without brushes, which helps to reduce the number of separate moving parts and friction, making for a low vibration motor with a quiet wash cycle.

Auto Detergent Dispense

This washer dryer will calculate the amount of liquid detergent and fabric softener by laundry weight and add it automatically to the wash. Fill up once and wash for weeks.

8" LCD Touch Screen

Samsung's large colour 8" LCD Touch Screen displays cycle info, settings, options and more. The easy to use interface allows you to select and customise each wash cycle at the touch of your fingertips.
